

COST TU0904: Final Meeting

Integrated Fire Engineering and Response

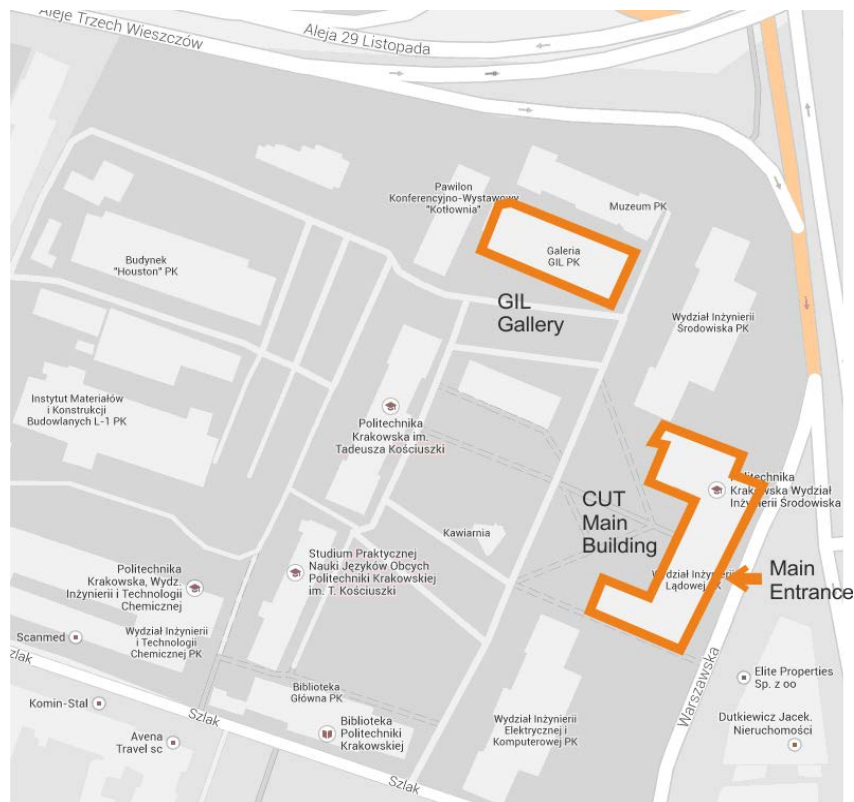

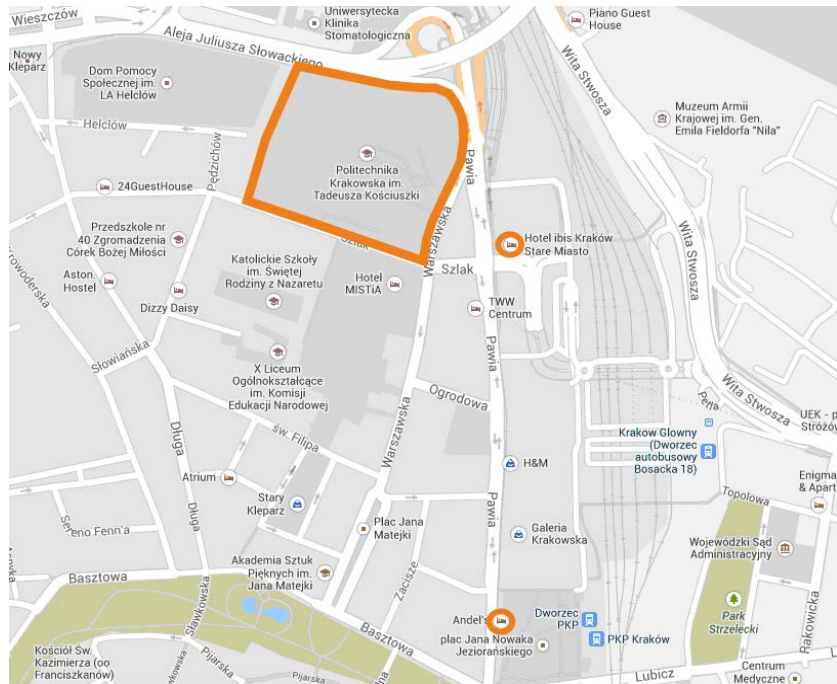

**Cracow University of Technology, Cracow, Poland,
February 20-21, 2014**

Cracow - the magical city, situated in the southeast of the country, between the Jura uplands and the Tatra Mountains, on the banks of the Vistula River, has one of the best-preserved medieval city centers in Europe. Dozens of churches cover almost every architectural period and are surrounded by monasteries and abbeys – walking through the Old Town streets is like drifting back through the musty pages of a historical novel.

The renaissance Royal Castle at Wawel Hill, the gothic St Mary's Basilica, the historical trade pavilions of the Cloth Hall, the former separate Jewish city of Kazimierz, and even the Nowa Huta district, absorbed by Cracow together with its socialist-realist industrial architecture, are all places which make a visit to Cracow extremely worthwhile.

- **Venue of the meeting** - the main campus of **Cracow University of Technology (CUT)** – in Polish **Politechnika Krakowska (PK)**, **Warszawska 24** – for details see the map enclosed below,
- the first, organisational session will be held in the Senate Hall, located on the second floor of the CUT Main Building,
- all remaining sessions will be held in the conference room located on the second floor of the GIL Gallery Building.

- **How to get there - the best way is [the train service](#):**

The train service provided by Przewozy Regionalne Sp. z o.o is the fastest link between the center of Cracow and the airport. Travel time is approximately 20 minutes. **The train station is located 200 m from the T1 international terminal. For travel between the terminals and the station, we advise you to use the free Shuttle Bus service.** The Shuttle Bus awaits at the rail station and transports passengers between the international (T1) and the domestic (T2) terminals and then comes back to the station.

Train schedule – please note that this schedule will be rearranged in the middle of December 2013; however, it seems that changes related to the number of trains will not be significant.

Please note that these are **agglomeration bus lines** and the special price tickets (agglomeration) have to be bought to trip. Bus stops within the airport's premises are located near the T1 and T2 terminals. The time of the bus trip from the airport to the city center is about 40 minutes (or longer), with many bus stops, depending on the traffic conditions.

The venue of the meeting is localized very closed to **Main Railway Station** – it is about 10 minutes walking distance (see the map enclosed above).

- **The recommended accommodation possibility:**

There are many hotels of various types near the meeting place. Three of them are particularly recommended because of the location very close to the university campus (see the map enclosed above). They are as follows:

1. **Andel's Hotel**, Pawia 3, 31-154 Cracow, e-mail: www.andelscracow.com

This is a new four-star hotel, located opposite to the main exit from the Old Building of Main Railway Station (it is denoted as "Dworzec PKP" in the map above), about 10 minutes walking distance to the meeting place.

Details about the accommodation there are given below:
